

Activities Data of Student Affairs Department (Multan Campus)

Report on Sports Fest – 19th February 2024

A Sports Fest was successfully organized on 19th February 2024, featuring a variety of activities aimed at promoting physical well-being and teamwork. The event included competitions in cricket, football, table tennis, badminton, and e-games, attracting enthusiastic participation from students.

The fest was aligned with the Sustainable Development Goals (SDGs), particularly:

SDG 3 (Good Health and Well-being): Encouraging physical fitness and an active lifestyle.

SDG 4 (Quality Education): Fostering teamwork, discipline, and leadership skills among students.

SDG 5 (Gender Equality): Providing equal participation opportunities for both male and female students.

The event successfully fostered a spirit of sportsmanship and camaraderie, making it a memorable experience for all participants.

Career Counseling and Study Abroad Seminar – 23rd February 2024

Air University Multan Campus organized a Career Counseling and Study Abroad Seminar on February 23, 2024, aimed at guiding students toward informed academic and career choices. The event provided insights into higher education opportunities, scholarship programs, and career pathways, helping students align their aspirations with market demands.

Experts from various fields shared their experiences, advising students on career planning, skill development, and international study opportunities. The seminar also featured representatives from renowned institutions **who highlighted scholarship options and application processes for studying abroad.**

Alignment with SDGs

The seminar aligns with the United Nations Sustainable Development Goals (SDGs) in the following ways:

SDG 4: Quality Education – By providing students with educational guidance, scholarship information, and skill development insights, the seminar promoted lifelong learning opportunities.

SDG 8: Decent Work and Economic Growth – Career counseling helped students understand labor market trends, enhancing their employability and contribution to economic growth.

SDG 17: Partnerships for the Goals – Collaboration with international universities and career experts fostered global partnerships, encouraging knowledge exchange and academic mobility.

The initiative reaffirmed Air University Multan Campus's commitment to empowering students with the knowledge and resources needed to excel in their careers and higher education pursuits.

Counter-Strike E-Gaming Event – 8th March 2024

Air University Multan Campus organized a Counter-Strike E-Gaming Competition on March 8, 2024, providing students with an engaging platform to showcase their strategic thinking, teamwork, and problem-solving skills. The event attracted enthusiastic participation, fostering a competitive yet collaborative spirit among students.

The tournament featured multiple teams competing in a well-structured format, enhancing their decision-making, coordination, and digital literacy. The event also highlighted the growing influence of e-sports in modern education, emphasizing how gaming can contribute to cognitive and social skill development.

Alignment with SDGs

The competition aligns with the United Nations Sustainable Development Goals (SDGs) in the following ways:

SDG 3: Good Health and Well-being – Encouraging responsible gaming and stress relief through recreational activities promotes mental well-being and healthy social interactions.

SDG 4: Quality Education – The event helped students develop critical thinking, strategic planning, and digital literacy skills, which are essential for academic and professional growth.

SDG 8: Decent Work and Economic Growth – E-sports is a rapidly growing industry, and participation in such events helps students explore career opportunities in gaming, software development, and digital media.

SDG 9: Industry, Innovation, and Infrastructure – The event promoted the use of technology in education, encouraging students to engage with digital platforms and innovative gaming solutions.

Naat Competition – 2nd April 2024

Air University Multan Campus organized a Naat Competition on April 2, 2024, to promote spiritual enrichment and cultural values among students. The event provided a platform for participants to showcase their talent in reciting Naats, expressing their devotion and love for the Prophet Muhammad (PBUH).

Students from various departments actively participated, delivering heartfelt recitations that created a serene and spiritually uplifting atmosphere. A panel of judges evaluated the performances based on pronunciation, melody, and emotional depth, and winners were awarded certificates of appreciation.

Alignment with SDGs

The competition aligns with the United Nations Sustainable Development Goals (SDGs) in the following ways:

SDG 4: Quality Education – Encouraging students to participate in literary and cultural activities enhances their personal growth and moral education.

SDG 16: Peace, Justice, and Strong Institutions – Promoting religious and cultural harmony through such events fosters mutual respect, peace, and social cohesion within the campus.

SDG 3: Good Health and Well-being – Engaging in spiritual and cultural activities contributes to mental well-being, reducing stress and promoting a positive mindset.

Tree Plantation Drive with Allied Bank – 16th May 2024

Air University Multan Campus, in collaboration with Allied Bank, organized a Tree Plantation Drive on May 16, 2024, to promote environmental sustainability and green initiatives. Faculty members, students, and representatives from Allied Bank actively participated in planting a variety of trees across the campus, reinforcing the importance of ecological conservation.

The event aimed to raise awareness about climate change, air purification, and the long-term benefits of afforestation. Participants were encouraged to take responsibility for nurturing the planted trees, ensuring their growth for a greener future.

Alignment with SDGs

The initiative aligns with the United Nations Sustainable Development Goals (SDGs) in the following ways:

SDG 13: Climate Action – The plantation drive contributes to reducing carbon footprints and combating climate change through afforestation.

SDG 15: Life on Land – Planting trees helps restore ecosystems, promote biodiversity, and prevent soil erosion.

SDG 17: Partnerships for the Goals – Collaboration with Allied Bank highlights the importance of corporate and academic partnerships in addressing global sustainability challenges.

Traffic Awareness Seminar at Air University Multan Campus

Air University Multan Campus organized a Traffic Awareness Seminar on May 29, 2024, to educate students and faculty about road safety regulations and responsible driving. The seminar aimed to enhance awareness about traffic rules, accident prevention, and the importance of following safety measures.

The event aligned with the Sustainable Development Goals (SDGs), particularly SDG 3 (Good Health and Well-being) and SDG 11 (Sustainable Cities and Communities) by promoting safer roads and reducing traffic-related injuries. Experts from the traffic police department shared valuable insights, emphasizing the significance of responsible behavior on the road.

The seminar was well-received, reinforcing Air University's commitment to community awareness and social responsibility.

Orientation Program for Newly Enrolled Students at Air University Multan Campus

Air University Multan Campus organized an Orientation Program for newly enrolled students on October 23, 2024. The event aimed to familiarize students with the university's academic structure, campus facilities, and student support services, ensuring a smooth transition into university life.

The orientation program aligned with the Sustainable Development Goals (SDGs), particularly SDG 4 (Quality Education) and SDG 8 (Decent Work and Economic Growth) by emphasizing skill development, career guidance, and academic excellence. Faculty members, senior students, and administrative staff guided the newcomers, highlighting the university's commitment to holistic education and professional growth.

Breast Cancer Awareness Seminar at Air University Multan Campus

Air University Multan Campus organized a Breast Cancer Awareness Seminar on October 23, 2024, to educate students and faculty about early detection, prevention, and treatment of breast cancer. The event aimed to raise awareness about this critical health issue and encourage proactive healthcare practices.

Healthcare professionals and experts delivered insightful sessions, emphasizing the importance of regular screenings, self-examinations, and a healthy lifestyle. The seminar also highlighted the emotional and psychological support needed for patients and survivors.

This initiative aligns with the United Nations Sustainable Development Goals (SDGs), particularly SDG 3 (Good Health and Well-being), by promoting health awareness and early disease prevention. The event fostered a sense of responsibility among youth to spread awareness within their communities, contributing to a healthier society.

The seminar concluded with an interactive Q&A session, where students engaged actively, reflecting the impact of the awareness campaign.

Open Mic Activities at Air University Multan Campus

Air University Multan Campus organized Open Mic Activities on October 24, 2024, featuring music, drama, and a talent hunt competition. The event provided students with a platform to showcase their artistic and creative talents, fostering a vibrant campus culture.

The initiative aligned with the Sustainable Development Goals (SDGs), particularly SDG 3 (Good Health and Well-being) and SDG 4 (Quality Education) by promoting mental well-being, self-expression, and extracurricular engagement. Through music, drama, and performances, students gained confidence and developed essential communication and teamwork skills.

The event was a great success, reflecting Air University's dedication to holistic student development and a dynamic learning environment.

Seerat-un-Nabi (PBUH) Seminar at Air University Multan Campus

Air University Multan Campus organized a Seerat-un-Nabi (PBUH) Seminar on October 29, 2024, to enlighten students and faculty about the life and teachings of Prophet Muhammad (PBUH). Scholars and speakers highlighted the Prophet's (PBUH) principles of peace, justice, compassion, and ethical living.

The seminar aligned with the Sustainable Development Goals (SDGs), particularly SDG 4 (Quality Education) and SDG 16 (Peace, Justice, and Strong Institutions) by promoting values of knowledge, morality, and social harmony.

NAB National Accountability Competitions at Air University Multan Campus

Air University Multan Campus hosted the NAB National Accountability Competitions on March 11, 2024, featuring debates, drama performances, and essay writing contests. The event aimed to promote awareness about accountability, transparency, and anti-corruption efforts among students.

The competitions aligned with the Sustainable Development Goals (SDGs), particularly SDG 16 (Peace, Justice, and Strong Institutions) by encouraging ethical values, integrity, and responsible citizenship. Students actively participated in thought-provoking discussions, creative performances, and insightful essays, highlighting the importance of accountability in nation-building.

Character Day with Traditional Themes at Air University Multan Campus

Air University Multan Campus celebrated Character Day with Traditional Themes on December 6, 2024, promoting cultural heritage and ethical values among students. The event featured students dressed as historical and literary figures, reflecting Pakistan's rich traditions and moral ideals.

The celebration aligned with the Sustainable Development Goals (SDGs), particularly SDG 4 (Quality Education) and SDG 11 (Sustainable Cities and Communities) by fostering cultural awareness, inclusivity, and ethical development. Through speeches, performances, and exhibitions, students showcased the significance of strong character, leadership, and national identity.

The event created an engaging and educational atmosphere, reinforcing Air University's commitment to holistic student development and cultural preservation.

Participation in AIR Nexus (12th - 14th December 2024)

The department facilitated AUMC students' participation in the AIR Nexus event by organizing trials and making necessary arrangements. The achievements of Multan Campus students were commendable:

- First Position in Naat Competition
- First Position in Business Idea Competition

This participation provided students with a platform to showcase their talents and gain exposure at a national level.

Sports Fest 2024

The Sports Fest 2024 was successfully organized at our campus from December 16 to December 20, 2024, fostering a spirit of sportsmanship, teamwork, and healthy competition among students. The event featured three major sports: cricket, football, and table tennis, attracting enthusiastic participation from students across various departments.

This fest aligned with the United Nations Sustainable Development Goals (SDGs) by promoting:

Good Health and Well-being (SDG 3): Encouraging physical activity and a healthy lifestyle among students

Quality Education (SDG 4): Providing extracurricular opportunities that contribute to holistic student development.

Gender Equality (SDG 5): Ensuring equal participation opportunities for both male and female students in sports.

Partnerships for the Goals (SDG 17): Collaborating with faculty, students, and sponsors to successfully organize the event.

Welcome Party & Prize Distribution Ceremony (21st December 2024)

To welcome new students and celebrate the achievements of sports fest winners, a Welcome Party and Prize Distribution Ceremony was organized. The event provided a networking platform for new and existing students, fostering a sense of belonging within the university community. The total cost of the event was approximately 1.7 million, with 0.300 million provided by the university and the remaining amount collected through student contributions and sponsorships. The event was beneficial in:

- Encouraging new students to engage in university activities.
- Recognizing and motivating students for their achievements.

- Strengthening the student community at AUMC.

Islamic Seminar: "Future and Role of Youth in Society"

On February 10, 2025, Air University Multan Campus hosted an Islamic seminar titled "Future and Role of Youth in Society." The event aimed to enlighten students on their responsibilities and contributions towards societal development in light of Islamic teachings.

Renowned scholars and speakers discussed the pivotal role of youth in shaping a progressive and ethical society, emphasizing values like integrity, leadership, and community service. The seminar also aligned with the United Nations' Sustainable Development Goals (SDGs), particularly SDG 4 (Quality Education) and SDG 16 (Peace, Justice, and Strong Institutions), by fostering awareness about education, morality, and social justice.

The event was well-received by students and faculty, inspiring young minds to take active roles in building a better future.

1. Educare College Visit to Air University Multan Campus(19-2-24)

As part of the admission campaign, students from Educare College visited Air University Multan Campus to explore its academic programs, facilities, and overall campus structure. The visit aimed to provide students with insights into various undergraduate and postgraduate programs, research opportunities, and career prospects. University representatives briefed the students about the admission process, scholarship opportunities, and state-of-the-art learning environment. The key objectives of the visit were to enhance students' awareness about higher education pathways, guide them in making informed career choices, and encourage them to pursue quality education. This initiative aligns with the UN Sustainable Development Goals (SDGs), particularly SDG 4 (Quality

Education) and SDG 8 (Decent Work and Economic Growth), by promoting higher education access and career readiness among youth.

1. Blood Donation Drive at Air University Multan Campus(19-2-25)

Air University Multan Campus, in collaboration with the Regional Blood Centre, Government of Punjab, organized a blood donation drive to promote the spirit of social responsibility and humanitarian service. Students, faculty, and staff actively participated, donating blood to support patients in need, including those suffering from thalassemia, hemophilia, and other critical conditions. The primary objectives of the drive were to raise awareness about the importance of voluntary blood donation, ensure a safe and sufficient blood supply for hospitals, and encourage youth engagement in community welfare activities. This initiative aligns with the UN Sustainable Development Goals (SDGs), particularly SDG 3 (Good Health and Well-Being) and SDG 17 (Partnerships for the Goals), by improving healthcare accessibility and fostering collaboration between educational institutions and government health agencies.

Report on Islamic Seminar: The Ruling of Fasting

Air University Multan Campus organized an insightful Islamic seminar on "The Ruling of Fasting" on February 26, 2025. The event aimed to educate students and faculty about the significance, obligations, and spiritual benefits of fasting in Islam. A distinguished Islamic scholar was invited to elaborate on the rulings of fasting, its importance in daily life, and its alignment with values of discipline, self-control, and empathy for the less fortunate.

The seminar emphasized the spiritual, physical, and social benefits of fasting, fostering awareness about Islamic teachings and their role in personal and societal well-being. The session also highlighted SDG Goal 3 (Good Health and Well-being) by discussing the health benefits of fasting and SDG Goal 4 (Quality Education) by promoting religious knowledge and ethical values.

Faculty, staff, and students actively participated in the discussion, making the seminar an enriching experience for all attendees.

Spring Festival 2025 at Air University Multan Campus

Air University Multan Campus (AUMC) organized a vibrant Spring Festival on February 27, 2025, creating a lively and engaging environment for students and visitors. The event featured a diverse range of activities, including sports competitions, Auto show, futsal matches between AUMC, NUML, and NFC teams, food and jewelry stalls, horse riding, performances by local singers, Qawali, and a cultural dress showcase.

As part of the campus outreach program for admissions, 250 college students were invited to experience the dynamic university life at AUMC. The festival not only celebrated cultural diversity and student engagement but also aligned with Sustainable Development

Goals (SDGs) by promoting inclusive and quality education (SDG 4), fostering cultural heritage (SDG 11), and encouraging health and well-being through sports (SDG 3).

The Spring Festival 2025 successfully highlighted AUMC's commitment to fostering a holistic educational environment, strengthening community bonds, and offering students a platform for social, cultural, and athletic growth.

Tree Plantation Drive at Air University Multan Campus

Air University Multan Campus organized a Tree Plantation Drive on February 27, 2025, as part of its commitment to environmental sustainability and community engagement. Faculty members, students, and administrative staff actively participated in planting trees across the campus to promote a greener environment.

The initiative aligns with the United Nations Sustainable Development Goals (SDGs), particularly:

SDG 13: Climate Action – By increasing green cover, the plantation drive contributes to reducing carbon footprints and mitigating climate change.

SDG 15: Life on Land – Enhancing biodiversity and restoring degraded land by promoting afforestation efforts.

SDG 11: Sustainable Cities and Communities – Contributing to a healthier and more sustainable urban ecosystem.

Pre Eid Drive 14-3-25

In the spirit of compassion and community support, a *Pre-Eid Drive* was organized at **Air University Multan Campus** to facilitate and honor the dedication of its lower staff. The initiative aimed to share the joy of Eid with those who play a vital role in the day-to-day functioning of the campus.

As part of this drive, **cash amounts were distributed among 43 employees**, acknowledging their hard work and extending a gesture of care and solidarity ahead of the Eid celebrations. This initiative reflects the university's commitment to inclusivity, employee welfare, and social responsibility.

Such efforts not only promote a culture of gratitude and unity but also align with the **Sustainable Development Goals (SDGs)**, particularly **SDG 1: No Poverty** and **SDG 10: Reduced Inequalities**.

Naat Qirat Competition 26-3-25

To promote Islamic values and encourage students' spiritual expression, a **Naat and Qirat Competition** was organized at **Air University Multan Campus**. The event witnessed enthusiastic participation from students who beautifully recited verses from the Holy Quran and expressed their love for the Holy Prophet (PBUH) through soulful Naat performances.

At the conclusion of the competition, **shields and cash prizes were distributed among the winners** to recognize and appreciate their exceptional performances. The event created a spiritually uplifting atmosphere on campus and helped strengthen the students' connection with their religious and cultural identity.

This initiative aligns with the **Sustainable Development Goals (SDGs)**, particularly **SDG 4: Quality Education** and **SDG 16: Peace, Justice, and Strong Institutions**, by fostering moral education and harmony among the youth.

Yom e Tashakur 19-2-25

Air University Multan Campus proudly joined the nation in commemorating **Yom-e-Tashakur**, a day dedicated to expressing gratitude and respect for the **bravery, dedication, and sacrifices of the Pakistan Armed Forces**.

The campus community came together to acknowledge the unwavering commitment of the armed forces in safeguarding the nation's sovereignty and ensuring peace. Faculty, staff, and students paid tribute through messages of solidarity, special prayers, and discussions highlighting the role of the military in national resilience.

This observance reflects the university's patriotic spirit and aligns with **SDG 16: Peace, Justice, and Strong Institutions**, by fostering national pride and awareness among youth.

Seminar on Nadra Facilities 27-5-25

The **Student Affairs Department** at **Air University Multan Campus** successfully organized an **informative seminar on NADRA Services**, aimed at educating students about the wide range of services provided by the **National Database and Registration Authority (NADRA)**.

During the session, students gained **valuable insights** into essential NADRA services, including the process of obtaining CNICs, B-forms, family registration certificates, and other identity-related documents. A major highlight of the seminar was a detailed demonstration on how to efficiently use the **Pak-ID App**, which enables users to:

- Apply for new or renewed CNICs online
- Track application status
- Upload required documents
- Make secure payments digitally
- Receive services at their doorstep without visiting NADRA offices

The seminar empowered students with digital knowledge and practical tools to handle identity documentation independently and efficiently.

This initiative aligns with **SDG 16: Peace, Justice, and Strong Institutions** and **SDG 9: Industry, Innovation and Infrastructure**, by promoting digital inclusion and civic awareness.

Motivational and Training Seminar by Khwaja Muhammad Sohail Tufail 27-5-25

Air University Multan Campus had the honor of hosting **Khwaja Muhammad Sohail Tufail**, CEO of **Synergy Business Solutions**, for an inspiring **Motivational and Training Seminar** organized by the **Student Affairs Department**.

Mr. Tufail, a renowned corporate trainer and business leader, engaged the students with his powerful insights on personal development, professional growth, and leadership mindset. The session focused on building confidence, effective communication, goal setting, and the importance of resilience in achieving success.

Students found the seminar highly interactive and enriching, gaining valuable strategies to apply in both academic and professional spheres. The event aimed to enhance students' soft skills and motivation, preparing them to become dynamic future leaders.

This initiative supports **SDG 4: Quality Education** and **SDG 8: Decent Work and Economic Growth**, by equipping youth with essential life skills for a competitive global environment.

WHAT IS MINDSET?

Mindset refers to the collection of thoughts, beliefs, and attitudes

MINDSET

How we interpret and respond to situations, challenges, and opportunities in life.

1 GROWTH MINDSET

2 FIXED MINDSET

Edyra education Consultant seminar 29-5-25

The **Department of Student Affairs** at *Air University Multan Campus* organized an insightful and highly informative seminar featuring **Dr. Talha Ahmed**, Director of **Edyra Education Consultants**, along with his team of experts.

The session was aimed at guiding students on the process of applying to **foreign universities** for higher education. Dr. Ahmed provided a comprehensive overview of international admission procedures, scholarship opportunities, visa requirements, and tips on selecting the right academic institutions based on students' goals and backgrounds.

The seminar proved to be extremely beneficial for students aspiring to **pursue their academic dreams abroad**, offering clarity on timelines, documentation, and how to effectively prepare competitive applications. The interactive Q&A session further allowed students to address their individual queries and gain confidence in planning their educational journeys overseas.

This initiative aligns with **SDG 4: Quality Education** and **SDG 17: Partnerships for the Goals**, by promoting global learning opportunities and building strategic educational connections.

Islamic Seminar at AUMC – Quran: The Book of Hidayah, Imaan & Revolution 3-6-25

As part of the **HEC-approved Quranic & Seerat Seminar Course**, the **Department of Student Affairs** at *Air University Multan Campus* successfully organized an **enlightening Islamic seminar** centered on the theme:
“Quran – The Book of Hidayah, Imaan, and Revolution.”

The seminar aimed to deepen students' understanding of the Holy Quran as a source of divine guidance (*Hidayah*), faith (*Imaan*), and transformative change (*Revolution*) in both individual lives and society at large. Esteemed speakers shared reflections on how the Quran serves as a complete code of life and inspires positive action rooted in spirituality, morality, and justice.

Students actively participated in the session, which fostered a spiritually enriching environment and strengthened their connection with Islamic teachings.

This initiative aligns with **SDG 4: Quality Education** and **SDG 16: Peace, Justice, and Strong Institutions**, by promoting ethical awareness and value-based learning among youth.

Road Safety Seminar on 17 June 2025

The **Student Affairs Department** organized a **Road Safety Seminar** on **17 June 2025** at **Air University Multan Campus** to raise awareness among students about responsible driving and traffic safety.

The seminar highlighted the importance of following traffic rules, wearing helmets and seat belts, avoiding over-speeding, and practicing safe driving habits to reduce road accidents. Speakers emphasized that road safety is a shared responsibility and that young drivers must demonstrate discipline and awareness while using roads.

Students actively participated in the session and learned about preventive measures that can help save lives and promote safer roads in the community. The seminar also encouraged students to become responsible citizens who contribute to public safety.

This awareness activity supports the objectives of the **United Nations Sustainable Development Goals**, particularly **SDG 3: Good Health and Well-being** by promoting safety and reducing injuries from road accidents, and **SDG 11: Sustainable Cities and Communities** by encouraging safe and responsible use of public roads.

The seminar proved to be an informative session, strengthening students' awareness about road safety and the importance of responsible behavior on the road.

Farewell Ceremony

The **Student Affairs Department** organized a **Farewell Ceremony** for the graduating students on **18 June 2025** at **Air University Multan Campus**. The event was arranged to honor and celebrate the achievements of the passing-out students as they completed an important phase of their academic journey.

Faculty members, staff, and students gathered to extend their best wishes to the graduating batch. During the ceremony, speakers appreciated the dedication, hard work, and contributions of the students throughout their time at the university. The event also provided an opportunity for students to share their memories, experiences, and gratitude toward their teachers and the institution.

The farewell ceremony created a warm and memorable atmosphere, strengthening the bond between students and the university community while motivating graduates to pursue their future goals with confidence and responsibility.

This event supports the vision of the **United Nations Sustainable Development Goals**, particularly **SDG 4: Quality Education** by celebrating academic achievement and lifelong learning, and **SDG 8: Decent Work and Economic Growth** by encouraging graduates to contribute positively to society and the workforce.

The ceremony concluded with prayers and best wishes for the bright future and success of the graduating students.

Orientation 2025

The **Orientation 2025** program for newly admitted students was organized on **26 September 2025** at **Air University Multan Campus** by the **Student Affairs Department**. The purpose of the orientation was to welcome the new batch of students and familiarize them with the university's academic environment, policies, facilities, and opportunities available on campus.

During the session, university officials and faculty members addressed the students and highlighted the importance of academic integrity, discipline, and active participation in co-curricular activities. The students were also introduced to different departments, campus facilities, and support services that will help them throughout their academic journey.

The orientation provided a valuable platform for new students to understand the vision and mission of the university and to begin their educational journey with confidence and motivation. Students also had the opportunity to interact with faculty members and learn about academic expectations and campus life.

This activity contributes to the objectives of the **United Nations Sustainable Development Goals**, particularly **SDG 4: Quality Education** by promoting inclusive and effective learning environments, and **SDG 8: Decent Work and Economic Growth** by preparing students with knowledge and skills for their future careers.

Islamic Seminar

The **Student Affairs Department** organized an **Islamic Seminar** on **9 October 2025** at **Air University Multan Campus**. The seminar featured **Qari Saleem Attari** as the **guest speaker**, who delivered an inspiring talk on the topic of **Seerah (the life and teachings of Prophet Muhammad ﷺ)**.

During the seminar, Qari Saleem Attari highlighted the importance of studying and following the **Seerah of the Holy Prophet (PBUH)** as a complete model for personal character, social conduct, and leadership. He emphasized that the life of the Prophet (PBUH) provides timeless guidance for Muslims in dealing with modern challenges and building a peaceful and morally strong society. Students were encouraged to adopt the values of honesty, compassion, patience, and justice in their daily lives.

The seminar was attended by students, faculty, and staff who showed great interest in the discussion and gained valuable insights from the session. Such activities play an important role in strengthening moral values and spiritual awareness among students.

This seminar also supports the objectives of the **United Nations Sustainable Development Goals**, particularly **SDG 4: Quality Education** by promoting knowledge and ethical learning, **SDG 16: Peace, Justice and Strong Institutions** by encouraging values of peace, tolerance, and justice, and **SDG 3: Good Health and Well-being** by fostering spiritual and moral well-being among students.

Blue Day Event

The **Student Affairs Department** organized a vibrant **Blue Day Event** on **9 October 2025** at **Air University Multan Campus**. The event was arranged to promote creativity, cultural expression, and student engagement through a variety of entertaining and artistic activities based on the **Blue Day theme**.

Students enthusiastically participated in different **cultural and art activities**, including **music performances, drama, comedy acts, and creative presentations**, all inspired by the blue theme. The event created a lively and enjoyable atmosphere on campus, providing students with an opportunity to showcase their talents and express their creativity. Participants also wore blue-themed outfits and decorations, which added to the spirit and visual appeal of the celebration.

Faculty members and students appreciated the efforts of the organizers for arranging such a colorful and engaging activity that strengthened campus life and encouraged positive interaction among students.

This event also supports the vision of the **United Nations Sustainable Development Goals**, particularly **SDG 4: Quality Education** by encouraging creativity and co-curricular learning, **SDG 3: Good Health and Well-being** by promoting recreational and positive social activities, and **SDG 11: Sustainable Cities and Communities** by supporting cultural engagement and community participation within the campus.

Educational Consultant Seminar

The **Student Affairs Department** organized an **Educational Consultant Seminar** as part of **civic engagement activities** for students at **Air University Multan Campus**. The seminar was conducted by **ICC International Counselling Centre** on the theme “**Youth Development Beyond Borders.**”

The purpose of the seminar was to guide students about international education opportunities, personal development, and the importance of global exposure for young professionals. Representatives from ICC shared valuable insights on higher education pathways, career planning, and the skills required to succeed in an increasingly interconnected world. Students actively engaged in the session, asking questions about study opportunities abroad, scholarships, and career prospects.

The seminar provided a meaningful platform for students to broaden their perspectives and understand the importance of cross-cultural learning and global collaboration for youth empowerment and development.

This initiative supports the vision of the **United Nations Sustainable Development Goals**, particularly **SDG 4: Quality Education** by promoting access to educational opportunities and knowledge sharing, **SDG 8: Decent Work and Economic Growth** by preparing youth for global career opportunities, and **SDG 17: Partnerships for the Goals** by encouraging collaboration between educational institutions and professional organizations.

Space Day Event at Air University Multan Campus

The **Student Affairs Department** organized a **Space Day event** at **Air University Multan Campus** on **10 October 2025** to promote interest in astronomy and space sciences among students. The event aimed to create awareness about the universe and inspire students to explore the fascinating field of space science.

During the activity, students were given the opportunity to observe the **Sun and the Moon through a telescope**, which was an exciting and educational experience for many participants. Students actively participated in the observation session and learned about celestial bodies, planetary systems, and basic concepts of astronomy. Informative discussions were also conducted to enhance students' understanding of **space sciences, astronomical observations, and the importance of scientific exploration**.

The event encouraged curiosity, critical thinking, and scientific learning among students. It also provided a practical exposure to astronomy, allowing participants to connect theoretical knowledge with real observations.

This initiative reflects the university's commitment to promoting **scientific awareness, innovation, and experiential learning** among students.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Promoting scientific literacy and learning beyond the classroom.
- **SDG 9 – Industry, Innovation and Infrastructure:** Encouraging innovation and interest in science and technology.
- **SDG 17 – Partnerships for the Goals:** Fostering collaboration and knowledge sharing within the academic community.

Blood Donation Drive at Air University Multan Campus

The **Student Affairs Department** organized a **Blood Donation Drive** at **Air University Multan Campus** on **20 October 2025** in collaboration with the **Regional Blood Centre**. The purpose of the drive was to promote the spirit of volunteerism, social responsibility, and humanitarian service among students.

Students, faculty members, and staff actively participated in the activity by donating blood to help patients in need. The medical team from the Regional Blood Centre ensured that all necessary medical procedures and safety measures were properly followed during the donation process. Participants were also guided about the importance of safe blood donation and how it plays a vital role in saving lives.

The initiative successfully raised awareness about the significance of blood donation and encouraged students to contribute towards community welfare. Such activities help develop a culture of empathy, compassion, and civic responsibility within the university community.

Aligned Sustainable Development Goals (SDGs):

- **SDG 3 – Good Health and Well-being:** Supporting healthcare systems by contributing to lifesaving blood supplies.
- **SDG 4 – Quality Education:** Raising awareness and educating students about health and social responsibility.
- **SDG 17 – Partnerships for the Goals:** Strengthening collaboration between the university and healthcare institutions for community service.

Motivational Seminar at Air University Multan Campus

The **Student Affairs Department** organized a **Motivational Seminar at Air University Multan Campus** on **21 October 2025** to inspire students and highlight the important role of youth in society. The guest speaker for the seminar was **Iftkhar Ahmed Usmani**, who shared valuable insights on personal development, leadership, and the responsibilities of young people in shaping the future.

During the seminar, the speaker emphasized the **role of youth in national development**, encouraging students to focus on education, positive thinking, and continuous self-improvement. He also discussed the importance of setting clear goals, developing leadership skills, and contributing positively to society. Students actively participated in the session and found the discussion highly inspiring and informative.

The seminar aimed to motivate students to realize their potential and play a constructive role in building a progressive and responsible society.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Promoting learning, personal development, and skill building among youth.
- **SDG 8 – Decent Work and Economic Growth:** Encouraging youth to develop skills and leadership for future career opportunities.
- **SDG 16 – Peace, Justice and Strong Institutions:** Inspiring responsible and active citizenship among young people.

Youth Club Seminar at Air University Multan Campus

The **Student Affairs Department** organized a **Youth Club Seminar** at **Air University Multan Campus** on the topic “**Dunya is a Test.**” The seminar aimed to provide students with spiritual guidance and help them understand the purpose of life from an Islamic perspective.

The guest speaker for the seminar was **Abu Saad**, who delivered an insightful talk on the concept that life in this world is a test for every human being. During the session, he emphasized the importance of faith, patience, good character, and responsibility in overcoming the challenges of life. He also encouraged students to remain focused on their goals, maintain strong moral values, and contribute positively to society.

Students actively attended the seminar and engaged with the speaker during the interactive discussion. The session proved to be highly beneficial in strengthening students' understanding of Islamic teachings and motivating them to lead purposeful and responsible lives.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Promoting ethical and moral education among students.
- **SDG 16 – Peace, Justice and Strong Institutions:** Encouraging responsible behavior, integrity, and positive values in society.
- **SDG 3 – Good Health and Well-being:** Supporting mental and spiritual well-being through motivational and ethical guidance.

Mehfil Darbar-e-Sukhan 2.0 – Qawwali Night at Air University Multan Campus

The **Student Affairs Department** organized “**Mehfil Darbar-e-Sukhan 2.0 – Qawwali Night**” at **Air University Multan Campus** on **1 November 2025**. The event was arranged to promote cultural heritage, poetry, and traditional musical expression among students while providing them with a platform for cultural engagement and entertainment.

The Qawwali night brought together students, faculty, and staff who gathered to enjoy the vibrant atmosphere of classical **Qawwali performances and poetic expressions**. The event celebrated the rich traditions of South Asian Sufi culture, encouraging students to appreciate music, literature, and spiritual poetry. Participants experienced a memorable evening filled with soulful performances, enthusiasm, and cultural appreciation.

The event also aimed to strengthen the sense of community on campus and promote extracurricular activities that support students' creative and cultural development.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Encouraging cultural learning and creative expression among students.
- **SDG 11 – Sustainable Cities and Communities:** Promoting cultural heritage and traditional arts.
- **SDG 17 – Partnerships for the Goals:** Strengthening collaboration and community engagement within the university.

NAB Competitions at Air University Multan Campus

The **Student Affairs Department** organized **NAB Competitions at Air University Multan Campus** in collaboration with the **National Accountability Bureau** to raise awareness among students about the importance of integrity and the fight against corruption.

During the event, various competitions were arranged for students, including **Urdu and English Declamation Contests, Essay Writing Competitions, and a Drama Performance, poster competitions** on the theme “**Integrity and the fight against corruption.**” Students from different departments actively participated and expressed their views through speeches, writing, and dramatic performances, highlighting the negative impacts of corruption on society and the importance of transparency and accountability.

The competitions provided a platform for students to showcase their creativity, critical thinking, and communication skills while promoting ethical values and civic responsibility. The event also helped to educate students about the role of individuals and institutions in building a corruption-free society.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Promoting awareness, critical thinking, and communication skills among students.
- **SDG 16 – Peace, Justice and Strong Institutions:** Encouraging transparency, accountability, and anti-corruption values in society.
- **SDG 17 – Partnerships for the Goals:** Strengthening collaboration between educational institutions and national organizations to promote social responsibility.

Seminar on Protection Against Harassment at Air University Multan Campus

The **Student Affairs Department** organized a **Seminar on Protection Against Harassment** at **Air University Multan Campus** on **3 December 2025** in collaboration with **Federal Ombudsperson Secretariat for Protection Against Harassment (FOSPAH)**. The objective of the seminar was to create awareness among students about their rights and the legal mechanisms available for protection against harassment in educational institutions and workplaces.

During the seminar, representatives from FOSPAH highlighted the importance of maintaining a safe, respectful, and inclusive environment within academic institutions. The speakers provided detailed information about **different forms of harassment, legal protections under Pakistani law, complaint procedures, and the role of institutions in preventing harassment**. Students were also informed about the responsibilities of individuals in promoting a culture of respect, dignity, and equality.

The session was highly informative and interactive, allowing students to ask questions and better understand how they can report incidents and seek support through proper legal channels. The seminar played an important role in empowering students with knowledge about their rights and encouraging them to contribute to a safe and respectful campus environment.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Promoting a safe and inclusive learning environment for all students.
- **SDG 5 – Gender Equality:** Raising awareness about harassment prevention and equal rights.
- **SDG 16 – Peace, Justice and Strong Institutions:** Encouraging justice, accountability, and protection of individual rights within institutions.

HARASSMENT - DEFINITION

Section 2(h) of Act, 2016 (Updated Amendment Act 2021):

- Discrimination on the basis of gender, which may or may not be sexual in nature, but which may embody a discriminatory and prejudicial mind-set or notion, resulting in discriminatory behaviour on basis of gender against the complainant

Provided that a single incident having the effect of making a person uncomfortable or creating a sense of fear or panic at the workplace is also harassment.

Inter-College Sports Fest at Air University Multan Campus

An **Inter-College Sports Fest** was organized at **Air University Multan Campus** in **December 2025**. The event welcomed students from various colleges who visited the campus to participate in different sports activities. The primary objective of the fest was to provide college students with an opportunity to utilize quality sports facilities, promote healthy competition, and introduce them to the educational opportunities available at the university.

Students from different colleges actively participated in a variety of sports competitions, which created an atmosphere of teamwork, enthusiasm, and sportsmanship. The event also served as a platform for campus outreach, where visiting students were informed about the academic programs, facilities, and learning environment at Air University Multan Campus.

The Sports Fest successfully encouraged youth engagement in physical activities while strengthening connections between the university and surrounding educational institutions.

Aligned Sustainable Development Goals (SDGs):

- **SDG 3 – Good Health and Well-being:** Promoting physical activity and healthy lifestyles through sports.
- **SDG 4 – Quality Education:** Informing visiting students about higher education opportunities.
- **SDG 17 – Partnerships for the Goals:** Strengthening collaboration and engagement between colleges and the university.

Air Fair 2025 at Air University Multan Campus

Air Fair 2025 was organized at **Air University Multan Campus** by the **Department of Business Administration** in collaboration with the **Student Affairs Department**. The event aimed to promote innovation, creativity, and educational engagement among students while providing a platform to showcase talent and technical skills.

A major highlight of the event was the **display of RC (Remote Control) models**, which attracted great interest from participants and visitors. Students demonstrated different RC models and explained their design, functionality, and engineering concepts, providing a practical learning experience for the audience.

The event also welcomed **students from various schools and colleges** who visited the campus to explore the activities and learn more about the academic environment and facilities offered at Air University Multan Campus. Through interactive demonstrations and discussions, visiting students were introduced to modern technological developments and higher education opportunities.

Air Fair 2025 created a vibrant learning environment by combining **innovation, technology, and academic outreach**, encouraging young students to develop interest in science, technology, and creative problem-solving.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Promoting practical learning, innovation, and awareness about higher education opportunities.
- **SDG 9 – Industry, Innovation and Infrastructure:** Encouraging technological creativity and innovation through model demonstrations.
- **SDG 17 – Partnerships for the Goals:** Strengthening collaboration and engagement between universities, schools, and colleges

Seerah Seminar at Air University Multan Campus

A **Seerah Seminar** was organized at **Air University Multan Campus** on **17 December 2025** by the **Student Affairs Department** to provide students with a deeper understanding of the life and teachings of **Prophet Muhammad (PBUH)**. The seminar aimed to inspire students with moral guidance, ethical values, and lessons from the Seerah applicable in daily life.

The guest speaker for the seminar was **Mufti Abdur Rehman**, who delivered an enlightening talk on the principles, character, and exemplary conduct of the Prophet (PBUH). During the session, students were engaged in discussions about the relevance of the Seerah in modern times, the importance of honesty, patience, and compassion, and how youth can incorporate these values into their personal and professional lives.

The seminar served as both a spiritual and educational platform, motivating students to adopt positive behavior and contribute meaningfully to society while reinforcing ethical and moral standards.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Promoting ethical, moral, and religious education among students.
- **SDG 16 – Peace, Justice and Strong Institutions:** Encouraging responsible citizenship, integrity, and ethical behavior.
- **SDG 3 – Good Health and Well-being:** Supporting spiritual well-being and positive personal development.

Rang-e-Bahar Event at Air University Multan Campus

The **Student Affairs Department** organized the **Rang-e-Bahar Event** at **Air University Multan Campus** on **13 February 2026**, celebrating the arrival of spring with vibrant cultural activities. The event featured a **cultural and Mehndi theme**, creating a lively and festive environment for students to enjoy.

During the event, students participated in traditional activities, explored **Mehndi designs**, and enjoyed interactive cultural performances. Various **food stalls** were set up, offering a range of local delicacies, which enhanced the festive experience and encouraged student engagement. The event aimed to promote **cultural awareness, creativity, and social interaction** among the campus community.

Rang-e-Bahar provided a platform for students to celebrate cultural diversity, showcase their talents, and strengthen bonds within the university community while enjoying a safe and organized recreational environment.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Encouraging cultural learning and creative expression.
- **SDG 11 – Sustainable Cities and Communities:** Promoting cultural heritage and community engagement.
- **SDG 3 – Good Health and Well-being:** Supporting social well-being and recreational activities for mental and emotional health.

One-Day Trip to Bahawalpur Organized by Student Affairs Department

The **Student Affairs Department of Air University Multan Campus** organized a **one-day educational and recreational trip to Bahawalpur** on **14 February 2026** for students. The trip aimed to provide students with **cultural exposure, historical knowledge, and an opportunity for leisure**, combining learning with recreational activities outside the campus environment.

During the trip, students visited several notable places in Bahawalpur, including **historical sites, landmarks, and cultural attractions**, allowing them to explore the rich heritage and history of the region. The trip was carefully planned to ensure **student engagement, safety, and maximum learning**, with travel arrangements and guidance provided by the Student Affairs Department.

Students also had the opportunity to interact with peers in an informal setting, fostering **teamwork, social interaction, and experiential learning**.

This initiative helped broaden students' perspectives, encouraged exploration of Pakistan's cultural and historical heritage, and supported holistic development beyond the classroom.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Enhancing experiential learning and cultural awareness among students.
- **SDG 11 – Sustainable Cities and Communities:** Promoting understanding of cultural heritage and historical preservation.
- **SDG 3 – Good Health and Well-being:** Encouraging recreational activities and social engagement for mental and emotional well-being.

Seminar on the Relationship Between Quran and Sunnah at Air University Multan Campus

The **Student Affairs Department** organized a **seminar on the Relationship Between the Quran and Sunnah** at **Air University Multan Campus** on **16 February 2026**. The seminar aimed to educate students about the complementary role of the Quran and Sunnah in guiding Muslims' faith, actions, and daily life.

During the session, students were informed about how the **Sunnah of Prophet Muhammad (PBUH) explains, complements, and provides practical examples of Quranic teachings**. The seminar highlighted the significance of understanding both sources to strengthen religious knowledge, develop good character, and lead a balanced life. The session also encouraged students to reflect on

the moral, social, and spiritual lessons derived from the Quran and Sunnah and how these principles can be applied in contemporary society.

The interactive format allowed students to ask questions, engage in discussions, and deepen their understanding of Islamic teachings. The seminar played a pivotal role in **promoting ethical awareness, religious literacy, and personal development** among students.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Enhancing religious and ethical education for personal development.
- **SDG 16 – Peace, Justice and Strong Institutions:** Promoting moral values, integrity, and responsible behavior among youth.
- **SDG 3 – Good Health and Well-being:** Supporting spiritual well-being and ethical decision-making for a balanced life.

Islamic Quiz Competition at Air University Multan Campus

The **Student Affairs Department** organized an **Islamic Quiz Competition** at **Air University Multan Campus** based on the book ***Al-Raheeq Al-Makhtum***. The competition aimed to enhance students' knowledge of Islamic history, teachings, and values while encouraging healthy academic competition.

Students from various programs actively participated in the quiz, showcasing their understanding of Islamic principles, historical events, and the life of Prophet Muhammad (PBUH). Winners of the competition were awarded **cash prizes** as recognition for their knowledge, preparation, and performance. The event not only motivated students to learn more about Islam but also fostered **teamwork, critical thinking, and scholarly engagement**.

By organizing this quiz, the university reinforced the importance of **religious education, academic excellence, and student participation in co-curricular activities**.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Promoting knowledge of Islamic history and values through interactive learning.
- **SDG 16 – Peace, Justice and Strong Institutions:** Encouraging ethical awareness, moral understanding, and responsible behavior.
- **SDG 3 – Good Health and Well-being:** Supporting mental stimulation, personal growth, and intellectual engagement through educational competitions.

Islamic Seminar on “Holy Prophet as a Teacher” at Air University Multan Campus

The **Student Affairs Department** organized an **Islamic seminar** at **Air University Multan Campus** on **11 March 2026** on the topic **“Holy Prophet as a Teacher.”** The seminar aimed to highlight the exemplary teaching methods, guidance, and educational approach of **Prophet Muhammad (PBUH)** and inspire students to adopt these principles in their personal and academic lives.

The **chief guest and speaker** for the seminar was **Mufti Adnan Burana**, who delivered an insightful talk on how the Holy Prophet (PBUH) served as a model teacher, emphasizing patience, empathy, practical guidance, and moral instruction. Students were encouraged to reflect on these teaching methods and incorporate the Prophet’s approach in their studies, interactions, and leadership roles.

The seminar provided a platform for students to **engage in discussions, ask questions, and gain a deeper understanding of effective teaching and moral education**, reinforcing the values of knowledge, ethical behavior, and lifelong learning.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Promoting ethical, values-based education and lifelong learning.
- **SDG 16 – Peace, Justice and Strong Institutions:** Encouraging responsible behavior, moral guidance, and ethical leadership.
- **SDG 3 – Good Health and Well-being:** Supporting spiritual and intellectual well-being through reflective learning.

Report on Sustainable Development Goals (SDGs) for Mechatronics Engineering.

Following are the activities and projects held in Department of Mechatronics Engineering which aligns with the core concept of UN Sustainable Development Goals

1. Instrumentation and Measurement Course Project Exhibition Report

The Department of Mechatronics Engineering organized a Project Exhibition under the course *Instrumentation and Measurement*, where students developed innovative projects based on sensors and sensing systems. The exhibition was held on **2nd December 2025** in the **Project Lab and Robotics Lab**. Students from **BEMTS-F-23 A/B (5th Semester)** actively participated and demonstrated their technical skills through functional prototypes addressing real-world problems.

The event was headed by course instructor, Eng. Naqash Ahmad, and was attended by faculty members, the Head of Department, and the Dean of the Faculty of Engineering, who evaluated the projects and provided valuable feedback to students. The team from **AU ORIC** also visited the exhibition and appreciated the efforts. As an outcome, **three projects were incubated in AU BIC**, while **two projects were incubated externally** and are progressing toward startup development. Additionally, **seven potential journal and conference publications** have emerged from the presented work and are currently under review.

The exhibition featured diverse projects such as IoT-based healthcare monitoring systems, smart medicine organizers, lithium battery fault detection, cruise control systems for low-CC motorcycles, fire-fighting robots, wearable stress monitoring devices, smart incubators, digital twin structural monitoring, and automatic water control systems. These projects incorporated sensors such as temperature sensors, load cells, strain gauges, Hall sensors, pulse oximeters, and environmental sensors, demonstrating practical implementation of instrumentation concepts.

The event attracted students from other semesters and departments, promoting interdisciplinary interaction. Visitors discussed ideas, gained inspiration, and several concepts were further transformed into Final Year Projects (FYPs). Overall, the exhibition proved highly successful in promoting innovation, practical learning, and entrepreneurial thinking among students. The activity strengthened hands-on skills, encouraged research culture, and provided opportunities for technology commercialization.

Sustainable Development Goals (SDGs) Addressed

The projects presented in this exhibition aligned with several United Nations Sustainable Development Goals (SDGs):

- **SDG 3 – Good Health and Well-Being:** Healthcare monitoring systems, diagnostic boxes, and wearable vital sign devices support improved healthcare access.
- **SDG 6 – Clean Water and Sanitation:** Automatic tap water system promotes water conservation and hygiene.

- **SDG 7 – Affordable and Clean Energy:** Energy-efficient systems such as smart incubators and battery monitoring solutions contribute to sustainable energy use.
- **SDG 8 – Decent Work and Economic Growth:** Startup incubation and commercialization opportunities encourage entrepreneurship.
- **SDG 9 – Industry, Innovation, and Infrastructure:** Sensor-based automation, IoT solutions, and robotics enhance technological innovation.
- **SDG 11 – Sustainable Cities and Communities:** Smart safety systems like accident detection helmets and fire-fighting robots improve urban safety.
- **SDG 12 – Responsible Consumption and Production:** Efficient resource usage through automation and monitoring systems reduces wastage.
- **SDG 4 – Quality Education:** The exhibition promoted experiential learning, research skills, and industry-ready competence.

In conclusion, the Instrumentation and Measurement Project Exhibition successfully showcased student innovation, strengthened academic-industry linkage, and contributed to multiple SDGs through practical engineering solutions.

2. Student Project Demonstrations

A highlight of the forum was the exhibition of eco-friendly projects developed by students from the Mechatronics and Mechanical Engineering departments. All projects were constructed entirely from waste materials under the supervision of the reporting faculty member, demonstrating practical innovation in sustainable design. The top two best projects were awarded with certificates of acknowledgement as well.

Supervised overall by Dr. Fizza Farrukh (Department of English) Dr. Hammad Nazeer (Department of Mechatronics Engineering) and Dr. Mehr Nigar (Department of Mechanical Engineering), the showcased projects included:

- **Bridge Crane:** The model structure works by moving the bridge along a runway, allowing a trolley to travel across it and a hoist to lift materials.
- **Moving Robot:** A functional robotic prototype emphasizing mobility and automation using recycled components.
- **Mini Escalator:** A scaled model showcasing efficient vertical transport concepts built from waste materials.

- **Football Playing Table:** An interactive game table promoting recreation while highlighting sustainable fabrication techniques.
- **Water Conservation System:** A practical solution for efficient water use and recycling.
- **Air Filtering System:** An innovative device for improving indoor air quality using waste-derived materials.

These projects illustrated how engineering ingenuity can turn waste into valuable, functional eco-products, directly supporting SDG 9, 12, and 13.

3. Climate Action Forum

Date: 17 February 2026

On 17 February 2026, the AU Sustainable Futures Club successfully hosted a dynamic Climate Action Forum at Air University. The event focused on raising awareness about climate change, addressing climate anxiety, promoting sustainable innovation, and encouraging youth action toward environmental stewardship. It combined expert-led sessions, student-led project demonstrations, interactive games, and practical sustainability guidance.

The forum directly advanced multiple United Nations Sustainable Development Goals (SDGs) through education, innovation, and behavioral change. It highlighted student creativity in engineering eco-friendly solutions made from waste materials and fostered meaningful discussions on mental health impacts of climate issues. Supervised by faculty from Mechatronics and Mechanical Engineering, the event engaged students, faculty, and participants in fun, awareness-building activities. It was widely praised for its interactive format and real-world relevance.

Objectives and SDGs Covered

The primary goals were to:

- Educate participants on climate change and its psychological effects.
- Showcase student innovations in sustainable engineering.
- Promote practical sustainable practices for daily life.
- Build awareness and agency through interactive experiences.
- Encourage reflection on personal and collective responsibility for the environment.

The event explicitly covered the following SDGs (aligned with its themes of climate education, waste-to-resource innovation, mental health, and sustainable engineering solutions):

- **SDG 3 (Good Health and Well-being):** Through Dr. Fizza Farrukh's session on climate anxiety and the participant climate anxiety assessment test.
- **SDG 4 (Quality Education):** Via awareness-building activities, word search puzzles, interactive games, and knowledge-sharing on sustainable practices.
- **SDG 9 (Industry, Innovation and Infrastructure):** Demonstrated by student-engineered eco-projects from Mechatronics and Mechanical Engineering.
- **SDG 11 (Sustainable Cities and Communities):** Highlighted in projects like the water conservation system and air filtering system, which support urban environmental resilience.
- **SDG 12 (Responsible Consumption and Production):** Central to all demonstrated projects, which were constructed entirely from waste materials, promoting circular economy principles.

- **SDG 13 (Climate Action):** The overarching theme, encompassing the full forum, expert talks, and calls for individual and collective action.
- **SDG 17 (Partnerships for the Goals):** Achieved through collaboration between the student club, faculty supervisors, and cross-departmental student involvement.

These SDGs were integrated holistically, linking environmental action with innovation, education, and well-being.

4. Keynote Session: Climate Anxiety

Dr. Fizza Farrukh from Air University delivered an engaging and insightful session on climate anxiety. She explored how environmental changes affect mental health, shared coping strategies, and facilitated open discussions. Participants described the session as inspiring and interactive, with meaningful conversations on environmental challenges that encouraged critical thinking. Dr. Farrukh emphasized the importance of youth engagement in creating a sustainable future.

As part of this focus, attendees completed a climate anxiety assessment test to evaluate their personal levels of environmental concern. Organizers also shared actionable sustainable practices that individuals can adopt in daily life to reduce their ecological footprint and build resilience.

Student Project Demonstrations

A highlight of the forum was the exhibition of eco-friendly projects developed by students from the Mechatronics and Mechanical Engineering departments. All projects were constructed entirely from waste materials under the supervision of the reporting faculty member, demonstrating practical innovation in sustainable design. The top two best projects were awarded with certificates of acknowledgement as well.

Supervised overall by Dr. Fizza Farrukh (Department of English) Dr. Hammad Nazeer (Department of Mechatronics Engineering) and Dr. Mehr Nigar (Department of Mechanical Engineering), the showcased projects included:

- **Bridge Crane:** The model structure works by moving the bridge along a runway, allowing a trolley to travel across it and a hoist to lift materials.
- **Moving Robot:** A functional robotic prototype emphasizing mobility and automation using recycled components.
- **Mini Escalator:** A scaled model showcasing efficient vertical transport concepts built from waste materials.

5. Interactive Activities and Engagement

The event featured several hands-on, engaging activities designed to make climate awareness fun and memorable:

- **Word Search:** A puzzle activity focused on environment- and sustainability-related terms to reinforce key vocabulary and concepts.

- **Loop Game:** Participants jumped in and out of a physical loop based on host prompts about environmental issues (e.g., “Is plastic pollution in your control?”). If they believed the issue was within their personal or collective control, they jumped in; otherwise, they stayed out. This dynamic game sparked discussion, built awareness of personal agency, and was described as both educational and highly enjoyable.
- **Climate Anxiety Test:** A self-assessment tool (linked to Dr. Farrukh’s session) that helped participants gauge and reflect on their environmental concerns.

These activities encouraged active participation, critical thinking, and a sense of empowerment, aligning perfectly with the forum’s interactive ethos. The event concluded by distribution of seedlings to all of the participants.

Supervision and Collaboration

The entire event was supervised by:

- **Dr. Hammad Nazeer**, Department of Mechatronics Engineering.
- **Dr. Mehr Nigar**, Department of Mechanical Engineering.
- **Dr. Fizza Farrukh**, Department of English.

Their guidance ensured high-quality project development and seamless event execution. The AU Sustainable Futures Club provided excellent student-led organization, fostering strong collaboration between faculty and the student body.

The Climate Action Forum exemplified how student clubs, faculty expertise, and interactive programming can drive meaningful progress toward the SDGs. It left participants better informed, more aware of their role in climate solutions, and inspired to adopt sustainable habits.

6. Final Year Projects

Final Year Projects or capstone project are offered in 6th semester as mandatory projects to complete the Bachelors of Mechatronics Engineering. All of these projects are aligned with SDGs following the UN sustainability core values and principles.

Please find attached (excel sheet) the list of projects mapped with SDGs for session

1. 2020-2024
2. 2021-2025
3. 2022-2026

Activities Data of Student Affairs Department

Report on Sports Fest – 19th February 2024

A Sports Fest was successfully organized on 19th February 2024, featuring a variety of activities aimed at promoting physical well-being and teamwork. The event included competitions in cricket, football, table tennis, badminton, and e-games, attracting enthusiastic participation from students.

The fest was aligned with the Sustainable Development Goals (SDGs), particularly:

SDG 3 (Good Health and Well-being): Encouraging physical fitness and an active lifestyle.

SDG 4 (Quality Education): Fostering teamwork, discipline, and leadership skills among students.

SDG 5 (Gender Equality): Providing equal participation opportunities for both male and female students.

The event successfully fostered a spirit of sportsmanship and camaraderie, making it a memorable experience for all participants.

Career Counseling and Study Abroad Seminar – 23rd February 2024

Air University Multan Campus organized a Career Counseling and Study Abroad Seminar on February 23, 2024, aimed at guiding students toward informed academic and career choices. The event provided insights into higher education opportunities, scholarship programs, and career pathways, helping students align their aspirations with market demands.

Experts from various fields shared their experiences, advising students on career planning, skill development, and international study opportunities. The seminar also featured representatives from renowned institutions **who highlighted scholarship options and application processes for studying abroad.**

Alignment with SDGs

The seminar aligns with the United Nations Sustainable Development Goals (SDGs) in the following ways:

SDG 4: Quality Education – By providing students with educational guidance, scholarship information, and skill development insights, the seminar promoted lifelong learning opportunities.

SDG 8: Decent Work and Economic Growth – Career counseling helped students understand labor market trends, enhancing their employability and contribution to economic growth.

SDG 17: Partnerships for the Goals – Collaboration with international universities and career experts fostered global partnerships, encouraging knowledge exchange and academic mobility.

The initiative reaffirmed Air University Multan Campus's commitment to empowering students with the knowledge and resources needed to excel in their careers and higher education pursuits.

Hosted a Career Counseling Session at
Air University Islamabad Multan campus

Counter-Strike E-Gaming Event – 8th March 2024

Air University Multan Campus organized a Counter-Strike E-Gaming Competition on March 8, 2024, providing students with an engaging platform to showcase their strategic thinking, teamwork, and problem-solving skills. The event attracted enthusiastic participation, fostering a competitive yet collaborative spirit among students.

The tournament featured multiple teams competing in a well-structured format, enhancing their decision-making, coordination, and digital literacy. The event also highlighted the growing influence of e-sports in modern education, emphasizing how gaming can contribute to cognitive and social skill development.

Alignment with SDGs

The competition aligns with the United Nations Sustainable Development Goals (SDGs) in the following ways:

SDG 3: Good Health and Well-being – Encouraging responsible gaming and stress relief through recreational activities promotes mental well-being and healthy social interactions.

SDG 4: Quality Education – The event helped students develop critical thinking, strategic planning, and digital literacy skills, which are essential for academic and professional growth.

SDG 8: Decent Work and Economic Growth – E-sports is a rapidly growing industry, and participation in such events helps students explore career opportunities in gaming, software development, and digital media.

SDG 9: Industry, Innovation, and Infrastructure – The event promoted the use of technology in education, encouraging students to engage with digital platforms and innovative gaming solutions.

Naat Competition – 2nd April 2024

Air University Multan Campus organized a Naat Competition on April 2, 2024, to promote spiritual enrichment and cultural values among students. The event provided a platform for participants to showcase their talent in reciting Naats, expressing their devotion and love for the Prophet Muhammad (PBUH).

Students from various departments actively participated, delivering heartfelt recitations that created a serene and spiritually uplifting atmosphere. A panel of judges evaluated the performances based on pronunciation, melody, and emotional depth, and winners were awarded certificates of appreciation.

Alignment with SDGs

The competition aligns with the United Nations Sustainable Development Goals (SDGs) in the following ways:

SDG 4: Quality Education – Encouraging students to participate in literary and cultural activities enhances their personal growth and moral education.

SDG 16: Peace, Justice, and Strong Institutions – Promoting religious and cultural harmony through such events fosters mutual respect, peace, and social cohesion within the campus.

SDG 3: Good Health and Well-being – Engaging in spiritual and cultural activities contributes to mental well-being, reducing stress and promoting a positive mindset.

Naat Competition

2nd April, 2024

Tree Plantation Drive with Allied Bank – 16th May 2024

Air University Multan Campus, in collaboration with Allied Bank, organized a Tree Plantation Drive on May 16, 2024, to promote environmental sustainability and green initiatives. Faculty members, students, and representatives from Allied Bank actively participated in planting a variety of trees across the campus, reinforcing the importance of ecological conservation.

The event aimed to raise awareness about climate change, air purification, and the long-term benefits of afforestation. Participants were encouraged to take responsibility for nurturing the planted trees, ensuring their growth for a greener future.

Alignment with SDGs

The initiative aligns with the United Nations Sustainable Development Goals (SDGs) in the following ways:

SDG 13: Climate Action – The plantation drive contributes to reducing carbon footprints and combating climate change through afforestation.

SDG 15: Life on Land – Planting trees helps restore ecosystems, promote biodiversity, and prevent soil erosion.

SDG 17: Partnerships for the Goals – Collaboration with Allied Bank highlights the importance of corporate and academic partnerships in addressing global sustainability challenges.

Traffic Awareness Seminar at Air University Multan Campus

Air University Multan Campus organized a Traffic Awareness Seminar on May 29, 2024, to educate students and faculty about road safety regulations and responsible driving. The seminar aimed to enhance awareness about traffic rules, accident prevention, and the importance of following safety measures.

The event aligned with the Sustainable Development Goals (SDGs), particularly SDG 3 (Good Health and Well-being) and SDG 11 (Sustainable Cities and Communities) by promoting safer roads and reducing traffic-related injuries. Experts from the traffic police department shared valuable insights, emphasizing the significance of responsible behavior on the road.

The seminar was well-received, reinforcing Air University's commitment to community awareness and social responsibility.

Orientation Program for Newly Enrolled Students at Air University Multan Campus

Air University Multan Campus organized an Orientation Program for newly enrolled students on October 23, 2024. The event aimed to familiarize students with the university's academic structure, campus facilities, and student support services, ensuring a smooth transition into university life.

The orientation program aligned with the Sustainable Development Goals (SDGs), particularly SDG 4 (Quality Education) and SDG 8 (Decent Work and Economic Growth) by emphasizing skill development, career guidance, and academic excellence. Faculty members, senior students, and administrative staff guided the newcomers, highlighting the university's commitment to holistic education and professional growth.

Breast Cancer Awareness Seminar at Air University Multan Campus

Air University Multan Campus organized a Breast Cancer Awareness Seminar on October 23, 2024, to educate students and faculty about early detection, prevention, and treatment of breast cancer. The event aimed to raise awareness about this critical health issue and encourage proactive healthcare practices.

Healthcare professionals and experts delivered insightful sessions, emphasizing the importance of regular screenings, self-examinations, and a healthy lifestyle. The seminar also highlighted the emotional and psychological support needed for patients and survivors.

This initiative aligns with the United Nations Sustainable Development Goals (SDGs), particularly SDG 3 (Good Health and Well-being), by promoting health awareness and early disease prevention. The event fostered a sense of responsibility among youth to spread awareness within their communities, contributing to a healthier society.

The seminar concluded with an interactive Q&A session, where students engaged actively, reflecting the impact of the awareness campaign.

Open Mic Activities at Air University Multan Campus

Air University Multan Campus organized Open Mic Activities on October 24, 2024, featuring music, drama, and a talent hunt competition. The event provided students with a platform to showcase their artistic and creative talents, fostering a vibrant campus culture.

The initiative aligned with the Sustainable Development Goals (SDGs), particularly SDG 3 (Good Health and Well-being) and SDG 4 (Quality Education) by promoting mental well-being, self-expression, and extracurricular engagement. Through music, drama, and performances, students gained confidence and developed essential communication and teamwork skills.

The event was a great success, reflecting Air University's dedication to holistic student development and a dynamic learning environment.

Seerat-un-Nabi (PBUH) Seminar at Air University Multan Campus

Air University Multan Campus organized a Seerat-un-Nabi (PBUH) Seminar on October 29, 2024, to enlighten students and faculty about the life and teachings of Prophet Muhammad (PBUH). Scholars and speakers highlighted the Prophet's (PBUH) principles of peace, justice, compassion, and ethical living.

The seminar aligned with the Sustainable Development Goals (SDGs), particularly SDG 4 (Quality Education) and SDG 16 (Peace, Justice, and Strong Institutions) by promoting values of knowledge, morality, and social harmony.

NAB National Accountability Competitions at Air University Multan Campus

Air University Multan Campus hosted the NAB National Accountability Competitions on March 11, 2024, featuring debates, drama performances, and essay writing contests. The event aimed to promote awareness about accountability, transparency, and anti-corruption efforts among students.

The competitions aligned with the Sustainable Development Goals (SDGs), particularly SDG 16 (Peace, Justice, and Strong Institutions) by encouraging ethical values, integrity, and responsible citizenship. Students actively participated in thought-provoking discussions, creative performances, and insightful essays, highlighting the importance of accountability in nation-building.

Character Day with Traditional Themes at Air University Multan Campus

Air University Multan Campus celebrated Character Day with Traditional Themes on December 6, 2024, promoting cultural heritage and ethical values among students. The event featured students dressed as historical and literary figures, reflecting Pakistan's rich traditions and moral ideals.

The celebration aligned with the Sustainable Development Goals (SDGs), particularly SDG 4 (Quality Education) and SDG 11 (Sustainable Cities and Communities) by fostering cultural awareness, inclusivity, and ethical development. Through speeches, performances, and exhibitions, students showcased the significance of strong character, leadership, and national identity.

The event created an engaging and educational atmosphere, reinforcing Air University's commitment to holistic student development and cultural preservation.

Participation in AIR Nexus (12th - 14th December 2024)

The department facilitated AUMC students' participation in the AIR Nexus event by organizing trials and making necessary arrangements. The achievements of Multan Campus students were commendable:

- First Position in Naat Competition
- First Position in Business Idea Competition

This participation provided students with a platform to showcase their talents and gain exposure at a national level.

Sports Fest 2024

The Sports Fest 2024 was successfully organized at our campus from December 16 to December 20, 2024, fostering a spirit of sportsmanship, teamwork, and healthy competition among students. The event featured three major sports: cricket, football, and table tennis, attracting enthusiastic participation from students across various departments.

This fest aligned with the United Nations Sustainable Development Goals (SDGs) by promoting:

Good Health and Well-being (SDG 3): Encouraging physical activity and a healthy lifestyle among students

Quality Education (SDG 4): Providing extracurricular opportunities that contribute to holistic student development.

Gender Equality (SDG 5): Ensuring equal participation opportunities for both male and female students in sports.

Partnerships for the Goals (SDG 17): Collaborating with faculty, students, and sponsors to successfully organize the event.

Welcome Party & Prize Distribution Ceremony (21st December 2024)

To welcome new students and celebrate the achievements of sports fest winners, a Welcome Party and Prize Distribution Ceremony was organized. The event provided a networking platform for new and existing students, fostering a sense of belonging within the university community. The total cost of the event was approximately 1.7 million, with 0.300 million provided by the university and the remaining amount collected through student contributions and sponsorships. The event was beneficial in:

- Encouraging new students to engage in university activities.
- Recognizing and motivating students for their achievements.

- Strengthening the student community at AUMC.

Islamic Seminar: "Future and Role of Youth in Society"

On February 10, 2025, Air University Multan Campus hosted an Islamic seminar titled "Future and Role of Youth in Society." The event aimed to enlighten students on their responsibilities and contributions towards societal development in light of Islamic teachings.

Renowned scholars and speakers discussed the pivotal role of youth in shaping a progressive and ethical society, emphasizing values like integrity, leadership, and community service. The seminar also aligned with the United Nations' Sustainable Development Goals (SDGs), particularly SDG 4 (Quality Education) and SDG 16 (Peace, Justice, and Strong Institutions), by fostering awareness about education, morality, and social justice.

The event was well-received by students and faculty, inspiring young minds to take active roles in building a better future.

2. Educare College Visit to Air University Multan Campus(19-2-24)

As part of the admission campaign, students from Educare College visited Air University Multan Campus to explore its academic programs, facilities, and overall campus structure. The visit aimed to provide students with insights into various undergraduate and postgraduate programs, research opportunities, and career prospects. University representatives briefed the students about the admission process, scholarship opportunities, and state-of-the-art learning environment. The key objectives of the visit were to enhance students' awareness about higher education pathways, guide them in making informed career choices, and encourage them to pursue quality education. This initiative aligns with the UN Sustainable Development Goals (SDGs), particularly SDG 4 (Quality

Education) and SDG 8 (Decent Work and Economic Growth), by promoting higher education access and career readiness among youth.

2. Blood Donation Drive at Air University Multan Campus(19-2-25)

Air University Multan Campus, in collaboration with the Regional Blood Centre, Government of Punjab, organized a blood donation drive to promote the spirit of social responsibility and humanitarian service. Students, faculty, and staff actively participated, donating blood to support patients in need, including those suffering from thalassemia, hemophilia, and other critical conditions. The primary objectives of the drive were to raise awareness about the importance of voluntary blood donation, ensure a safe and sufficient blood supply for hospitals, and encourage youth engagement in community welfare activities. This initiative aligns with the UN Sustainable Development Goals (SDGs), particularly SDG 3 (Good Health and Well-Being) and SDG 17 (Partnerships for the Goals), by improving healthcare accessibility and fostering collaboration between educational institutions and government health agencies.

Report on Islamic Seminar: The Ruling of Fasting

Air University Multan Campus organized an insightful Islamic seminar on "The Ruling of Fasting" on February 26, 2025. The event aimed to educate students and faculty about the significance, obligations, and spiritual benefits of fasting in Islam. A distinguished Islamic scholar was invited to elaborate on the rulings of fasting, its importance in daily life, and its alignment with values of discipline, self-control, and empathy for the less fortunate.

The seminar emphasized the spiritual, physical, and social benefits of fasting, fostering awareness about Islamic teachings and their role in personal and societal well-being. The session also highlighted SDG Goal 3 (Good Health and Well-being) by discussing the health benefits of fasting and SDG Goal 4 (Quality Education) by promoting religious knowledge and ethical values.

Faculty, staff, and students actively participated in the discussion, making the seminar an enriching experience for all attendees.

Spring Festival 2025 at Air University Multan Campus

Air University Multan Campus (AUMC) organized a vibrant Spring Festival on February 27, 2025, creating a lively and engaging environment for students and visitors. The event featured a diverse range of activities, including sports competitions, Auto show, futsal matches between AUMC, NUML, and NFC teams, food and jewelry stalls, horse riding, performances by local singers, Qawali, and a cultural dress showcase.

As part of the campus outreach program for admissions, 250 college students were invited to experience the dynamic university life at AUMC. The festival not only celebrated cultural diversity and student engagement but also aligned with Sustainable Development

Goals (SDGs) by promoting inclusive and quality education (SDG 4), fostering cultural heritage (SDG 11), and encouraging health and well-being through sports (SDG 3).

The Spring Festival 2025 successfully highlighted AUMC's commitment to fostering a holistic educational environment, strengthening community bonds, and offering students a platform for social, cultural, and athletic growth.

Tree Plantation Drive at Air University Multan Campus

Air University Multan Campus organized a Tree Plantation Drive on February 27, 2025, as part of its commitment to environmental sustainability and community engagement. Faculty members, students, and administrative staff actively participated in planting trees across the campus to promote a greener environment.

The initiative aligns with the United Nations Sustainable Development Goals (SDGs), particularly:

SDG 13: Climate Action – By increasing green cover, the plantation drive contributes to reducing carbon footprints and mitigating climate change.

SDG 15: Life on Land – Enhancing biodiversity and restoring degraded land by promoting afforestation efforts.

SDG 11: Sustainable Cities and Communities – Contributing to a healthier and more sustainable urban ecosystem.

Pre Eid Drive 14-3-25

In the spirit of compassion and community support, a *Pre-Eid Drive* was organized at **Air University Multan Campus** to facilitate and honor the dedication of its lower staff. The initiative aimed to share the joy of Eid with those who play a vital role in the day-to-day functioning of the campus.

As part of this drive, **cash amounts were distributed among 43 employees**, acknowledging their hard work and extending a gesture of care and solidarity ahead of the Eid celebrations. This initiative reflects the university's commitment to inclusivity, employee welfare, and social responsibility.

Such efforts not only promote a culture of gratitude and unity but also align with the **Sustainable Development Goals (SDGs)**, particularly **SDG 1: No Poverty** and **SDG 10: Reduced Inequalities**.

Naat Qirat Competition 26-3-25

To promote Islamic values and encourage students' spiritual expression, a **Naat and Qirat Competition** was organized at **Air University Multan Campus**. The event witnessed enthusiastic participation from students who beautifully recited verses from the Holy Quran and expressed their love for the Holy Prophet (PBUH) through soulful Naat performances.

At the conclusion of the competition, **shields and cash prizes were distributed among the winners** to recognize and appreciate their exceptional performances. The event created a spiritually uplifting atmosphere on campus and helped strengthen the students' connection with their religious and cultural identity.

This initiative aligns with the **Sustainable Development Goals (SDGs)**, particularly **SDG 4: Quality Education** and **SDG 16: Peace, Justice, and Strong Institutions**, by fostering moral education and harmony among the youth.

Yom e Tashakur 19-2-25

Air University Multan Campus proudly joined the nation in commemorating **Yom-e-Tashakur**, a day dedicated to expressing gratitude and respect for the **bravery, dedication, and sacrifices of the Pakistan Armed Forces**.

The campus community came together to acknowledge the unwavering commitment of the armed forces in safeguarding the nation's sovereignty and ensuring peace. Faculty, staff, and students paid tribute through messages of solidarity, special prayers, and discussions highlighting the role of the military in national resilience.

This observance reflects the university's patriotic spirit and aligns with **SDG 16: Peace, Justice, and Strong Institutions**, by fostering national pride and awareness among youth.

Seminar on Nadra Facilities 27-5-25

The **Student Affairs Department** at **Air University Multan Campus** successfully organized an **informative seminar on NADRA Services**, aimed at educating students about the wide range of services provided by the **National Database and Registration Authority (NADRA)**.

During the session, students gained **valuable insights** into essential NADRA services, including the process of obtaining CNICs, B-forms, family registration certificates, and other identity-related documents. A major highlight of the seminar was a detailed demonstration on how to efficiently use the **Pak-ID App**, which enables users to:

- Apply for new or renewed CNICs online
- Track application status
- Upload required documents
- Make secure payments digitally
- Receive services at their doorstep without visiting NADRA offices

The seminar empowered students with digital knowledge and practical tools to handle identity documentation independently and efficiently.

This initiative aligns with **SDG 16: Peace, Justice, and Strong Institutions** and **SDG 9: Industry, Innovation and Infrastructure**, by promoting digital inclusion and civic awareness.

Motivational and Training Seminar by Khwaja Muhammad Sohail Tufail 27-5-25

Air University Multan Campus had the honor of hosting **Khwaja Muhammad Sohail Tufail**, CEO of **Synergy Business Solutions**, for an inspiring **Motivational and Training Seminar** organized by the **Student Affairs Department**.

Mr. Tufail, a renowned corporate trainer and business leader, engaged the students with his powerful insights on personal development, professional growth, and leadership mindset. The session focused on building confidence, effective communication, goal setting, and the importance of resilience in achieving success.

Students found the seminar highly interactive and enriching, gaining valuable strategies to apply in both academic and professional spheres. The event aimed to enhance students' soft skills and motivation, preparing them to become dynamic future leaders.

This initiative supports **SDG 4: Quality Education** and **SDG 8: Decent Work and Economic Growth**, by equipping youth with essential life skills for a competitive global environment.

Edyra education Consultant seminar 29-5-25

The **Department of Student Affairs** at *Air University Multan Campus* organized an insightful and highly informative seminar featuring **Dr. Talha Ahmed**, Director of **Edyra Education Consultants**, along with his team of experts.

The session was aimed at guiding students on the process of applying to **foreign universities** for higher education. Dr. Ahmed provided a comprehensive overview of international admission procedures, scholarship opportunities, visa requirements, and tips on selecting the right academic institutions based on students' goals and backgrounds.

The seminar proved to be extremely beneficial for students aspiring to **pursue their academic dreams abroad**, offering clarity on timelines, documentation, and how to effectively prepare competitive applications. The interactive Q&A session further allowed students to address their individual queries and gain confidence in planning their educational journeys overseas.

This initiative aligns with **SDG 4: Quality Education** and **SDG 17: Partnerships for the Goals**, by promoting global learning opportunities and building strategic educational connections.

Islamic Seminar at AUMC – Quran: The Book of Hidayah, Imaan & Revolution 3-6-25

As part of the **HEC-approved Quranic & Seerat Seminar Course**, the **Department of Student Affairs** at *Air University Multan Campus* successfully organized an **enlightening Islamic seminar** centered on the theme:
“Quran – The Book of Hidayah, Imaan, and Revolution.”

The seminar aimed to deepen students' understanding of the Holy Quran as a source of divine guidance (*Hidayah*), faith (*Imaan*), and transformative change (*Revolution*) in both individual lives and society at large. Esteemed speakers shared reflections on how the Quran serves as a complete code of life and inspires positive action rooted in spirituality, morality, and justice.

Students actively participated in the session, which fostered a spiritually enriching environment and strengthened their connection with Islamic teachings.

This initiative aligns with **SDG 4: Quality Education** and **SDG 16: Peace, Justice, and Strong Institutions**, by promoting ethical awareness and value-based learning among youth.

Road Safety Seminar on 17 June 2025

The **Student Affairs Department** organized a **Road Safety Seminar** on **17 June 2025** at **Air University Multan Campus** to raise awareness among students about responsible driving and traffic safety.

The seminar highlighted the importance of following traffic rules, wearing helmets and seat belts, avoiding over-speeding, and practicing safe driving habits to reduce road accidents. Speakers emphasized that road safety is a shared responsibility and that young drivers must demonstrate discipline and awareness while using roads.

Students actively participated in the session and learned about preventive measures that can help save lives and promote safer roads in the community. The seminar also encouraged students to become responsible citizens who contribute to public safety.

This awareness activity supports the objectives of the **United Nations Sustainable Development Goals**, particularly **SDG 3: Good Health and Well-being** by promoting safety and reducing injuries from road accidents, and **SDG 11: Sustainable Cities and Communities** by encouraging safe and responsible use of public roads.

The seminar proved to be an informative session, strengthening students' awareness about road safety and the importance of responsible behavior on the road.

Farewell Ceremony

The **Student Affairs Department** organized a **Farewell Ceremony** for the graduating students on **18 June 2025** at **Air University Multan Campus**. The event was arranged to honor and celebrate the achievements of the passing-out students as they completed an important phase of their academic journey.

Faculty members, staff, and students gathered to extend their best wishes to the graduating batch. During the ceremony, speakers appreciated the dedication, hard work, and contributions of the students throughout their time at the university. The event also provided an opportunity for students to share their memories, experiences, and gratitude toward their teachers and the institution.

The farewell ceremony created a warm and memorable atmosphere, strengthening the bond between students and the university community while motivating graduates to pursue their future goals with confidence and responsibility.

This event supports the vision of the **United Nations Sustainable Development Goals**, particularly **SDG 4: Quality Education** by celebrating academic achievement and lifelong learning, and **SDG 8: Decent Work and Economic Growth** by encouraging graduates to contribute positively to society and the workforce.

The ceremony concluded with prayers and best wishes for the bright future and success of the graduating students.

Orientation 2025

The **Orientation 2025** program for newly admitted students was organized on **26 September 2025** at **Air University Multan Campus** by the **Student Affairs Department**. The purpose of the orientation was to welcome the new batch of students and familiarize them with the university's academic environment, policies, facilities, and opportunities available on campus.

During the session, university officials and faculty members addressed the students and highlighted the importance of academic integrity, discipline, and active participation in co-curricular activities. The students were also introduced to different departments, campus facilities, and support services that will help them throughout their academic journey.

The orientation provided a valuable platform for new students to understand the vision and mission of the university and to begin their educational journey with confidence and motivation. Students also had the opportunity to interact with faculty members and learn about academic expectations and campus life.

This activity contributes to the objectives of the **United Nations Sustainable Development Goals**, particularly **SDG 4: Quality Education** by promoting inclusive and effective learning environments, and **SDG 8: Decent Work and Economic Growth** by preparing students with knowledge and skills for their future careers.

Islamic Seminar

The **Student Affairs Department** organized an **Islamic Seminar** on **9 October 2025** at **Air University Multan Campus**. The seminar featured **Qari Saleem Attari** as the **guest speaker**, who delivered an inspiring talk on the topic of **Seerah (the life and teachings of Prophet Muhammad ﷺ)**.

During the seminar, Qari Saleem Attari highlighted the importance of studying and following the **Seerah of the Holy Prophet (PBUH)** as a complete model for personal character, social conduct, and leadership. He emphasized that the life of the Prophet (PBUH) provides timeless guidance for Muslims in dealing with modern challenges and building a peaceful and morally strong society. Students were encouraged to adopt the values of honesty, compassion, patience, and justice in their daily lives.

The seminar was attended by students, faculty, and staff who showed great interest in the discussion and gained valuable insights from the session. Such activities play an important role in strengthening moral values and spiritual awareness among students.

This seminar also supports the objectives of the **United Nations Sustainable Development Goals**, particularly **SDG 4: Quality Education** by promoting knowledge and ethical learning, **SDG 16: Peace, Justice and Strong Institutions** by encouraging values of peace, tolerance, and justice, and **SDG 3: Good Health and Well-being** by fostering spiritual and moral well-being among students.

Blue Day Event

The **Student Affairs Department** organized a vibrant **Blue Day Event** on **9 October 2025** at **Air University Multan Campus**. The event was arranged to promote creativity, cultural expression, and student engagement through a variety of entertaining and artistic activities based on the **Blue Day theme**.

Students enthusiastically participated in different **cultural and art activities**, including **music performances, drama, comedy acts, and creative presentations**, all inspired by the blue theme. The event created a lively and enjoyable atmosphere on campus, providing students with an opportunity to showcase their talents and express their creativity. Participants also wore blue-themed outfits and decorations, which added to the spirit and visual appeal of the celebration.

Faculty members and students appreciated the efforts of the organizers for arranging such a colorful and engaging activity that strengthened campus life and encouraged positive interaction among students.

This event also supports the vision of the **United Nations Sustainable Development Goals**, particularly **SDG 4: Quality Education** by encouraging creativity and co-curricular learning, **SDG 3: Good Health and Well-being** by promoting recreational and positive social activities, and **SDG 11: Sustainable Cities and Communities** by supporting cultural engagement and community participation within the campus.

Educational Consultant Seminar

The **Student Affairs Department** organized an **Educational Consultant Seminar** as part of **civic engagement activities** for students at **Air University Multan Campus**. The seminar was conducted by **ICC International Counselling Centre** on the theme “**Youth Development Beyond Borders.**”

The purpose of the seminar was to guide students about international education opportunities, personal development, and the importance of global exposure for young professionals. Representatives from ICC shared valuable insights on higher education pathways, career planning, and the skills required to succeed in an increasingly interconnected world. Students actively engaged in the session, asking questions about study opportunities abroad, scholarships, and career prospects.

The seminar provided a meaningful platform for students to broaden their perspectives and understand the importance of cross-cultural learning and global collaboration for youth empowerment and development.

This initiative supports the vision of the **United Nations Sustainable Development Goals**, particularly **SDG 4: Quality Education** by promoting access to educational opportunities and knowledge sharing, **SDG 8: Decent Work and Economic Growth** by preparing youth for global career opportunities, and **SDG 17: Partnerships for the Goals** by encouraging collaboration between educational institutions and professional organizations.

Space Day Event at Air University Multan Campus

The **Student Affairs Department** organized a **Space Day event** at **Air University Multan Campus** on **10 October 2025** to promote interest in astronomy and space sciences among students. The event aimed to create awareness about the universe and inspire students to explore the fascinating field of space science.

During the activity, students were given the opportunity to observe the **Sun and the Moon through a telescope**, which was an exciting and educational experience for many participants. Students actively participated in the observation session and learned about celestial bodies, planetary systems, and basic concepts of astronomy. Informative discussions were also conducted to enhance students' understanding of **space sciences, astronomical observations, and the importance of scientific exploration**.

The event encouraged curiosity, critical thinking, and scientific learning among students. It also provided a practical exposure to astronomy, allowing participants to connect theoretical knowledge with real observations.

This initiative reflects the university's commitment to promoting **scientific awareness, innovation, and experiential learning** among students.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Promoting scientific literacy and learning beyond the classroom.
- **SDG 9 – Industry, Innovation and Infrastructure:** Encouraging innovation and interest in science and technology.
- **SDG 17 – Partnerships for the Goals:** Fostering collaboration and knowledge sharing within the academic community.

Blood Donation Drive at Air University Multan Campus

The **Student Affairs Department** organized a **Blood Donation Drive** at **Air University Multan Campus** on **20 October 2025** in collaboration with the **Regional Blood Centre**. The purpose of the drive was to promote the spirit of volunteerism, social responsibility, and humanitarian service among students.

Students, faculty members, and staff actively participated in the activity by donating blood to help patients in need. The medical team from the Regional Blood Centre ensured that all necessary medical procedures and safety measures were properly followed during the donation process. Participants were also guided about the importance of safe blood donation and how it plays a vital role in saving lives.

The initiative successfully raised awareness about the significance of blood donation and encouraged students to contribute towards community welfare. Such activities help develop a culture of empathy, compassion, and civic responsibility within the university community.

Aligned Sustainable Development Goals (SDGs):

- **SDG 3 – Good Health and Well-being:** Supporting healthcare systems by contributing to lifesaving blood supplies.
- **SDG 4 – Quality Education:** Raising awareness and educating students about health and social responsibility.
- **SDG 17 – Partnerships for the Goals:** Strengthening collaboration between the university and healthcare institutions for community service.

Motivational Seminar at Air University Multan Campus

The **Student Affairs Department** organized a **Motivational Seminar at Air University Multan Campus** on **21 October 2025** to inspire students and highlight the important role of youth in society. The guest speaker for the seminar was **Iftkhar Ahmed Usmani**, who shared valuable insights on personal development, leadership, and the responsibilities of young people in shaping the future.

During the seminar, the speaker emphasized the **role of youth in national development**, encouraging students to focus on education, positive thinking, and continuous self-improvement. He also discussed the importance of setting clear goals, developing leadership skills, and contributing positively to society. Students actively participated in the session and found the discussion highly inspiring and informative.

The seminar aimed to motivate students to realize their potential and play a constructive role in building a progressive and responsible society.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Promoting learning, personal development, and skill building among youth.
- **SDG 8 – Decent Work and Economic Growth:** Encouraging youth to develop skills and leadership for future career opportunities.
- **SDG 16 – Peace, Justice and Strong Institutions:** Inspiring responsible and active citizenship among young people.

Youth Club Seminar at Air University Multan Campus

The **Student Affairs Department** organized a **Youth Club Seminar** at **Air University Multan Campus** on the topic “**Dunya is a Test.**” The seminar aimed to provide students with spiritual guidance and help them understand the purpose of life from an Islamic perspective.

The guest speaker for the seminar was **Abu Saad**, who delivered an insightful talk on the concept that life in this world is a test for every human being. During the session, he emphasized the importance of faith, patience, good character, and responsibility in overcoming the challenges of life. He also encouraged students to remain focused on their goals, maintain strong moral values, and contribute positively to society.

Students actively attended the seminar and engaged with the speaker during the interactive discussion. The session proved to be highly beneficial in strengthening students' understanding of Islamic teachings and motivating them to lead purposeful and responsible lives.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Promoting ethical and moral education among students.
- **SDG 16 – Peace, Justice and Strong Institutions:** Encouraging responsible behavior, integrity, and positive values in society.
- **SDG 3 – Good Health and Well-being:** Supporting mental and spiritual well-being through motivational and ethical guidance.

Mehfil Darbar-e-Sukhan 2.0 – Qawwali Night at Air University Multan Campus

The **Student Affairs Department** organized “**Mehfil Darbar-e-Sukhan 2.0 – Qawwali Night**” at **Air University Multan Campus** on **1 November 2025**. The event was arranged to promote cultural heritage, poetry, and traditional musical expression among students while providing them with a platform for cultural engagement and entertainment.

The Qawwali night brought together students, faculty, and staff who gathered to enjoy the vibrant atmosphere of classical **Qawwali performances and poetic expressions**. The event celebrated the rich traditions of South Asian Sufi culture, encouraging students to appreciate music, literature, and spiritual poetry. Participants experienced a memorable evening filled with soulful performances, enthusiasm, and cultural appreciation.

The event also aimed to strengthen the sense of community on campus and promote extracurricular activities that support students' creative and cultural development.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Encouraging cultural learning and creative expression among students.
- **SDG 11 – Sustainable Cities and Communities:** Promoting cultural heritage and traditional arts.
- **SDG 17 – Partnerships for the Goals:** Strengthening collaboration and community engagement within the university.

NAB Competitions at Air University Multan Campus

The **Student Affairs Department** organized **NAB Competitions at Air University Multan Campus** in collaboration with the **National Accountability Bureau** to raise awareness among students about the importance of integrity and the fight against corruption.

During the event, various competitions were arranged for students, including **Urdu and English Declamation Contests, Essay Writing Competitions, and a Drama Performance, poster competitions** on the theme “**Integrity and the fight against corruption.**” Students from different departments actively participated and expressed their views through speeches, writing, and dramatic performances, highlighting the negative impacts of corruption on society and the importance of transparency and accountability.

The competitions provided a platform for students to showcase their creativity, critical thinking, and communication skills while promoting ethical values and civic responsibility. The event also helped to educate students about the role of individuals and institutions in building a corruption-free society.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Promoting awareness, critical thinking, and communication skills among students.
- **SDG 16 – Peace, Justice and Strong Institutions:** Encouraging transparency, accountability, and anti-corruption values in society.
- **SDG 17 – Partnerships for the Goals:** Strengthening collaboration between educational institutions and national organizations to promote social responsibility.

Seminar on Protection Against Harassment at Air University Multan Campus

The **Student Affairs Department** organized a **Seminar on Protection Against Harassment** at **Air University Multan Campus** on **3 December 2025** in collaboration with **Federal Ombudsperson Secretariat for Protection Against Harassment (FOSPAH)**. The objective of the seminar was to create awareness among students about their rights and the legal mechanisms available for protection against harassment in educational institutions and workplaces.

During the seminar, representatives from FOSPAH highlighted the importance of maintaining a safe, respectful, and inclusive environment within academic institutions. The speakers provided detailed information about **different forms of harassment, legal protections under Pakistani law, complaint procedures, and the role of institutions in preventing harassment**. Students were also informed about the responsibilities of individuals in promoting a culture of respect, dignity, and equality.

The session was highly informative and interactive, allowing students to ask questions and better understand how they can report incidents and seek support through proper legal channels. The seminar played an important role in empowering students with knowledge about their rights and encouraging them to contribute to a safe and respectful campus environment.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Promoting a safe and inclusive learning environment for all students.
- **SDG 5 – Gender Equality:** Raising awareness about harassment prevention and equal rights.
- **SDG 16 – Peace, Justice and Strong Institutions:** Encouraging justice, accountability, and protection of individual rights within institutions.

HARASSMENT - DEFINITION

Section 2(h) of Act, 2016 (Updated Amendment Act 2021):

- Discrimination on the basis of gender, which may or may not be sexual in nature, but which may embody a discriminatory and prejudicial mind-set or notion, resulting in discriminatory behaviour on basis of gender against the complainant

Provided that a single incident having the effect of making a person uncomfortable or creating a sense of fear or panic at the workplace is also harassment.

Inter-College Sports Fest at Air University Multan Campus

An **Inter-College Sports Fest** was organized at **Air University Multan Campus** in **December 2025**. The event welcomed students from various colleges who visited the campus to participate in different sports activities. The primary objective of the fest was to provide college students with an opportunity to utilize quality sports facilities, promote healthy competition, and introduce them to the educational opportunities available at the university.

Students from different colleges actively participated in a variety of sports competitions, which created an atmosphere of teamwork, enthusiasm, and sportsmanship. The event also served as a platform for campus outreach, where visiting students were informed about the academic programs, facilities, and learning environment at Air University Multan Campus.

The Sports Fest successfully encouraged youth engagement in physical activities while strengthening connections between the university and surrounding educational institutions.

Aligned Sustainable Development Goals (SDGs):

- **SDG 3 – Good Health and Well-being:** Promoting physical activity and healthy lifestyles through sports.
- **SDG 4 – Quality Education:** Informing visiting students about higher education opportunities.
- **SDG 17 – Partnerships for the Goals:** Strengthening collaboration and engagement between colleges and the university.

Air Fair 2025 at Air University Multan Campus

Air Fair 2025 was organized at **Air University Multan Campus** by the **Department of Business Administration** in collaboration with the **Student Affairs Department**. The event aimed to promote innovation, creativity, and educational engagement among students while providing a platform to showcase talent and technical skills.

A major highlight of the event was the **display of RC (Remote Control) models**, which attracted great interest from participants and visitors. Students demonstrated different RC models and explained their design, functionality, and engineering concepts, providing a practical learning experience for the audience.

The event also welcomed **students from various schools and colleges** who visited the campus to explore the activities and learn more about the academic environment and facilities offered at Air University Multan Campus. Through interactive demonstrations and discussions, visiting students were introduced to modern technological developments and higher education opportunities.

Air Fair 2025 created a vibrant learning environment by combining **innovation, technology, and academic outreach**, encouraging young students to develop interest in science, technology, and creative problem-solving.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Promoting practical learning, innovation, and awareness about higher education opportunities.
- **SDG 9 – Industry, Innovation and Infrastructure:** Encouraging technological creativity and innovation through model demonstrations.
- **SDG 17 – Partnerships for the Goals:** Strengthening collaboration and engagement between universities, schools, and colleges

Seerah Seminar at Air University Multan Campus

A **Seerah Seminar** was organized at **Air University Multan Campus** on **17 December 2025** by the **Student Affairs Department** to provide students with a deeper understanding of the life and teachings of **Prophet Muhammad (PBUH)**. The seminar aimed to inspire students with moral guidance, ethical values, and lessons from the Seerah applicable in daily life.

The guest speaker for the seminar was **Mufti Abdur Rehman**, who delivered an enlightening talk on the principles, character, and exemplary conduct of the Prophet (PBUH). During the session, students were engaged in discussions about the relevance of the Seerah in modern times, the importance of honesty, patience, and compassion, and how youth can incorporate these values into their personal and professional lives.

The seminar served as both a spiritual and educational platform, motivating students to adopt positive behavior and contribute meaningfully to society while reinforcing ethical and moral standards.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Promoting ethical, moral, and religious education among students.
- **SDG 16 – Peace, Justice and Strong Institutions:** Encouraging responsible citizenship, integrity, and ethical behavior.
- **SDG 3 – Good Health and Well-being:** Supporting spiritual well-being and positive personal development.

Rang-e-Bahar Event at Air University Multan Campus

The **Student Affairs Department** organized the **Rang-e-Bahar Event** at **Air University Multan Campus** on **13 February 2026**, celebrating the arrival of spring with vibrant cultural activities. The event featured a **cultural and Mehndi theme**, creating a lively and festive environment for students to enjoy.

During the event, students participated in traditional activities, explored **Mehndi designs**, and enjoyed interactive cultural performances. Various **food stalls** were set up, offering a range of local delicacies, which enhanced the festive experience and encouraged student engagement. The event aimed to promote **cultural awareness, creativity, and social interaction** among the campus community.

Rang-e-Bahar provided a platform for students to celebrate cultural diversity, showcase their talents, and strengthen bonds within the university community while enjoying a safe and organized recreational environment.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Encouraging cultural learning and creative expression.
- **SDG 11 – Sustainable Cities and Communities:** Promoting cultural heritage and community engagement.
- **SDG 3 – Good Health and Well-being:** Supporting social well-being and recreational activities for mental and emotional health.

One-Day Trip to Bahawalpur Organized by Student Affairs Department

The **Student Affairs Department of Air University Multan Campus** organized a **one-day educational and recreational trip to Bahawalpur** on **14 February 2026** for students. The trip aimed to provide students with **cultural exposure, historical knowledge, and an opportunity for leisure**, combining learning with recreational activities outside the campus environment.

During the trip, students visited several notable places in Bahawalpur, including **historical sites, landmarks, and cultural attractions**, allowing them to explore the rich heritage and history of the region. The trip was carefully planned to ensure **student engagement, safety, and maximum learning**, with travel arrangements and guidance provided by the Student Affairs Department.

Students also had the opportunity to interact with peers in an informal setting, fostering **teamwork, social interaction, and experiential learning**.

This initiative helped broaden students' perspectives, encouraged exploration of Pakistan's cultural and historical heritage, and supported holistic development beyond the classroom.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Enhancing experiential learning and cultural awareness among students.
- **SDG 11 – Sustainable Cities and Communities:** Promoting understanding of cultural heritage and historical preservation.
- **SDG 3 – Good Health and Well-being:** Encouraging recreational activities and social engagement for mental and emotional well-being.

Seminar on the Relationship Between Quran and Sunnah at Air University Multan Campus

The **Student Affairs Department** organized a **seminar on the Relationship Between the Quran and Sunnah** at **Air University Multan Campus** on **16 February 2026**. The seminar aimed to educate students about the complementary role of the Quran and Sunnah in guiding Muslims' faith, actions, and daily life.

During the session, students were informed about how the **Sunnah of Prophet Muhammad (PBUH) explains, complements, and provides practical examples of Quranic teachings**. The seminar highlighted the significance of understanding both sources to strengthen religious knowledge, develop good character, and lead a balanced life. The session also encouraged students to reflect on

the moral, social, and spiritual lessons derived from the Quran and Sunnah and how these principles can be applied in contemporary society.

The interactive format allowed students to ask questions, engage in discussions, and deepen their understanding of Islamic teachings. The seminar played a pivotal role in **promoting ethical awareness, religious literacy, and personal development** among students.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Enhancing religious and ethical education for personal development.
- **SDG 16 – Peace, Justice and Strong Institutions:** Promoting moral values, integrity, and responsible behavior among youth.
- **SDG 3 – Good Health and Well-being:** Supporting spiritual well-being and ethical decision-making for a balanced life.

Islamic Quiz Competition at Air University Multan Campus

The **Student Affairs Department** organized an **Islamic Quiz Competition** at **Air University Multan Campus** based on the book ***Al-Raheeq Al-Makhtum***. The competition aimed to enhance students' knowledge of Islamic history, teachings, and values while encouraging healthy academic competition.

Students from various programs actively participated in the quiz, showcasing their understanding of Islamic principles, historical events, and the life of Prophet Muhammad (PBUH). Winners of the competition were awarded **cash prizes** as recognition for their knowledge, preparation, and performance. The event not only motivated students to learn more about Islam but also fostered **teamwork, critical thinking, and scholarly engagement**.

By organizing this quiz, the university reinforced the importance of **religious education, academic excellence, and student participation in co-curricular activities**.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Promoting knowledge of Islamic history and values through interactive learning.
- **SDG 16 – Peace, Justice and Strong Institutions:** Encouraging ethical awareness, moral understanding, and responsible behavior.
- **SDG 3 – Good Health and Well-being:** Supporting mental stimulation, personal growth, and intellectual engagement through educational competitions.

Islamic Seminar on “Holy Prophet as a Teacher” at Air University Multan Campus

The **Student Affairs Department** organized an **Islamic seminar** at **Air University Multan Campus** on **11 March 2026** on the topic **“Holy Prophet as a Teacher.”** The seminar aimed to highlight the exemplary teaching methods, guidance, and educational approach of **Prophet Muhammad (PBUH)** and inspire students to adopt these principles in their personal and academic lives.

The **chief guest and speaker** for the seminar was **Mufti Adnan Burana**, who delivered an insightful talk on how the Holy Prophet (PBUH) served as a model teacher, emphasizing patience, empathy, practical guidance, and moral instruction. Students were encouraged to reflect on these teaching methods and incorporate the Prophet’s approach in their studies, interactions, and leadership roles.

The seminar provided a platform for students to **engage in discussions, ask questions, and gain a deeper understanding of effective teaching and moral education**, reinforcing the values of knowledge, ethical behavior, and lifelong learning.

Aligned Sustainable Development Goals (SDGs):

- **SDG 4 – Quality Education:** Promoting ethical, values-based education and lifelong learning.
- **SDG 16 – Peace, Justice and Strong Institutions:** Encouraging responsible behavior, moral guidance, and ethical leadership.
- **SDG 3 – Good Health and Well-being:** Supporting spiritual and intellectual well-being through reflective learning.
