Millennium Fellowship Class of 2025

AIR UNIVERSITY MILLENNIUM FELLOWSHIP CLASS OF 2025!

The **Millennium Campus Network (MCN)** and the **United Nations Academic Impact (UNAI)** are pleased to announce the Millennium Fellowship Class of 2025, a prestigious global program designed to support the advancement of the United Nations **Sustainable Development Goals (SDGs)** and the principles of UNAI.

Through this program, students will be taught **Leadership skills, Community Building, Project Development, and Global Networking**. Moreover, selected students will get Global recognition, leadership growth, Impact-Oriented Experience, enhanced soft skills, and mentorship throughout the program.

The Millennium Fellowship, a program focused on leadership development and social impact, will benefit **Air University** by enhancing its global standing, fostering student leadership, and driving positive change within the campus and surrounding community. Specifically, the program enhances the university's reputation by affiliating it with the United Nations Academic Impact, attracts high-achieving students, and fosters a culture of social responsibility and global citizenship.

This year, Air University proudly marks its **first-ever participation** in the Millennium Fellowship with the support of the **QEC Office**. The selection of **25+** Air University students into this **global cohort** reflects their leadership potential, commitment to community impact, and dedication to addressing pressing global challenges.

The Millennium Fellowship is a highly competitive initiative, with students selected from **60,000+ applicants worldwide**. Fellows are chosen based on their demonstrated leadership and projects that contribute to sustainable development and social responsibility within their communities.

Air University extends its heartfelt **CONGRATULATIONS** to its **Millennium Fellows Class of 2025** (<https://www.millenniumfellows.org/class-of-2025-fellows>) for being part of this distinguished program and wishes them success as they implement impactful projects that contribute towards achieving the SDGs and embodying the UNAI principles.

TOGETHER, ADVANCING A SUSTAINABLE AND RESPONSIBLE FUTURE!

We proudly celebrate Air University's selection for the Millennium Fellowship Program 2025.
